The prayer in this writ petition is to direct the respondents to fill up the existing vacancies of Staff Nurses in Alappuzha District from the existing rank list. When the case came up for orders on 12.6.2007 this court had recorded the submission of the Learned Government Pleader that there are 28 vacancies in the cadre of Staff Nurse in Alappuzha District and that those vacancies have been reported to the Public Service Commission.

Taking into account of the above developments, it is directed that the Public Service Commission shall advice candidates against the substantive vacancies that are already reported , if candidates are not already advised. With the above direction, this writ petition is disposed of.
